

To Whom It May Concern:

I am pleased to write a letter of recommendation for Jason Shurtz. As an employee at [REDACTED] from 2001 until 2008 I was given the privilege to work with Jason at least twice a week. I was constantly amazed by his courteous, professional manner and great work ethic.

Working with Jason behind the bar was always a pleasure. He was consistently early to work, completed side work in a timely and efficient manner, and somehow kept the bar looking great no matter how many customers we had. I personally received multiple customer compliments about Jason's excellent customer service and dynamic personality.

In addition, when I would serve tables and Jason was behind the bar I was always confident that the night would go smoothly. I knew that my drinks would come quick, delicious and with a smile, even if it was a busy night and a complicated drink. Jason seemed to truly love what he was doing.

Furthermore, Jason is a great team player who is always willing to help out his fellow employees. He would go as far as coming out on the floor to help run food or drinks if he had time and the servers were swamped.

Working with Jason was a great pleasure. He would make a great asset to any bar, and was sorely missed at [REDACTED] when he left. As a fellow employee, I would gladly recommend Jason.

Sincerely,

[REDACTED]
