Re: Jason Shurtz

To Whom It May Concern,

During the time Jason was employed at [REDACTED] he was one of the top sales people. He was always punctual, dependable and possessed a “whatever it takes” attitude. He got along great with the staff and his smile can light up a room! It was a pleasure working with Jason and I would highly recommend him to any organization.

Sincerely,

[REDACTED] (former Office Manager for [REDACTED] San Diego Branch)
